

A NEW CHAPTER BEGINS

SILVER AGE

PRODUCT SHEET

WHAT IS SILVER AGE?

Silver Age is an entirely new way to play Flesh and Blood, using only common, rare, and basic cards. Featuring Flesh and Blood's iconic roster of young heroes, games are fast, fun, and friendly on the wallet!

HOW DOES SILVER AGE WORK?

Silver Age uses young heroes and only **common**, **rare**, and **basic** cards.

Not only is this an affordable way to play, it also opens up a world of creative deckbuilding choices. Iconic heroes from Flesh and Blood's past and present truly get to shine, with rigorous development to ensure they are balanced, fun to play, and fun to play against.

QUICKSTART

- Common, rare, and basic cards only (including hero cards)
- 1 young hero
- 55 card-pool (including weapons, equipment, and inventory)
- Start with exactly 40 cards in deck
- Up to 2 copies of each unique card
- 35 minutes per round, best of 1

CHAPTER 1

GUARDIAN, a truly class act, Bravo is a charismatic Guardian who inspires many a crush.

MECHANOLOGIST, with her gadgets boosting her in battle, Dash can always invent a way to win.

ELEMENTAL WIZARD, with icy determination, Iyslander wields the biting frost of the bleak midwinter.

BRUTE, with one arm but twice the ferocity, Kayo hurls himself fearlessly into the fray.

RUNEBLADE, Rune and blade join forces as Viserai the Arknight ascends from the darkness.

CHAPTER 2

CHAOS ASSASSIN, with the stealth of a spider, Arakni marks its victims within the Chaos.

RANGER, Azalea aims to kill and has an arsenal of arrows ready to prove her point.

WARRIOR, shining sword in hand, Dorinthea fights on and on with the courage of a true Warrior.

MYSTIC ILLUSIONIST, with Mystic arts, Enigma creates Illusions of fierce spirit and transcendent beauty.

DRACONIC NINJA, rising through the fire of the phoenix, Fai burns for freedom with Draconic fury.
