

June 2023 - Armory Kit

Thank you for your support of Flesh and Blood! Bring your community together with the June 2023 Armory Kit

If you have not done so already, please schedule your upcoming events in GEM (gem.fabtcg.com), so players in your local area can find your events on the official fabtcg.com event locator. It's important that you run your events using GEM so your players receive XP to work their way up the national and global leaderboards, and so Legend Story Studios can see your OP efforts and include you in our upcoming OP programs!

Casual Play Armory Events Formats & Prizing

- Suggested Casual Play Armory Events formats are Ultimate Pit Fight, Commoner or Blitz Pre-Constructed.
- Each Casual Play Armory Event should offer a Flail of Agony (*Cold Foil*) card as a random prize draw. Vantom Banshee (*Extended Art Rainbow Foil*) to be distributed as participation prizes and/or to top-placed players (at your discretion)

Armory Events Formats & Prizing

- Suggested Armory Event formats are Blitz or Booster Draft. A four-round Blitz tournament or draft pod + three rounds, will both complete within two hours. An overview of formats can be found at fabtcg.com/formats.
- Each Armory Event should offer a Flail of Agony (*Cold Foil*) card for first place. Vantom Banshee (*Extended Art Rainbow Foils*) to be distributed to top-placed players and/or as participation prizes (at your discretion).

Playmats

- The People's Champion Requiem for the Damned playmat is to be given as a prize to a player and/or ambassador who represents positive community spirit. They may also be given out as a random prize draw with entry based on Armory Event attendance during the month. They are not to be used as performance-based prizes.
- The General Use Dusk till Dawn playmat can be used at the discretion of the store to support their Armory Events.
