PREVIEW SEASON MARCH 4, PRE-RELEASE MARCH 17-20*

Outsiders is a standalone booster set that takes fans down into the Pits, a sprawling web of underground caverns and canals, home to all manner of backstabbing and skullduggery.

The first Flesh and Blood draftable set to feature multiple heroes within each class, making it the most dynamic draft experience yet! You're drafting Assassin... but are you Arakni or Uzuri? You're drafting Ranger... but are you Azalea or Riptide? You're drafting Ninja... but are you Katsu or Benji? Each hero has their own strengths, strategies, and card preferences.

You'll find yourself wanting to draft Outsiders again and again to explore the depth the Pits has to offer!
